

HOLY TRINITY SCHOOL

WEEKLY NOTES 5/26/2020

Good Afternoon Everyone,

I hope this week's notes find all of our families healthy and well. Thank you to those who joined us on Friday for the Rosary. Mr. Pacheco did an amazing job. It was heartwarming to see not just students but families signed in to pray.

Thank you to Mrs. Freitas and Mr. Flynn for the very thoughtful Memorial Day video. It is on our Facebook Page.

There is a new virtual tour video of Holy Trinity on our Website and on Facebook. I am trying to be creative during this social distancing period. Please consider sharing it with families and friends who may be interested in Holy Trinity School. I know that families have been experiencing financial strains during the past few months. Tuition payments may not seem a priority. This means we will not have as many families interested in Holy Trinity as we would have if Covid -19 did not happen. Please let your friends and family know that when our local public school districts were not teaching, or interacting academically with their students, Our teachers on every grade level were planning lessons, making videos, grading work and teaching live...throughout the past 9 weeks. This was a new challenge to the education system and though we added things in stages our students were top priority right from the first day.

Thank you again to everyone who has made this journey successful!

Have a great week.
Peace,
Mrs. Gagnon
